

Crab Lines

February 8, 2006, Vol. 9

The Barataria-Terrebonne National Estuary Program and The Louisiana Department of Natural Resources (DNR) will be hosting a public meeting to review and discuss the process that DNR is using to develop the plan required by the recently authorized Coastal Impact Assistance Program (CIAP), and to explain the procedures for submitting specific project proposals for the March 8, 2006 deadline.

This public meeting will be informational and instructional and is not meant to serve as a forum for the discussion on any specific projects.

If you want to apply for any of these funds, this may be a meeting you wish to attend.

Meeting specifics are:

Tuesday, February 14, 2006

6:30 pm to 8:00 pm

Nicholls State University

Century Club Room

Thibodaux, Louisiana
