Dear Friends of the Estuary,

The Barataria-Terrebonne National Estuary Program is partnering with the Louisiana Department of Wildlife and Fisheries to announce its free summer wetland teacher training workshops for educators who teach grades K-4. The Louisiana Department of Wildlife and Fisheries is also offering stipends to teachers who participate in the training. K-4 teachers can learn more about Louisiana wetlands through these interactive “Coastal Curricula Workshops”

Teachers will receive information and instruction on Louisiana’s wetlands during this **one-day** workshop. Lessons and activities are aligned with GLES and can be incorporated into the current curricula. These workshops will help teachers learn what teachers and students can do to help Louisiana wetlands.

Each teacher will receive:

NEW Thibodaux’s Treasure—Louisiana Wetlands Educational CD
for students in grades K-4

Explore Coastal Louisiana with Boudreaux and Marie Educational CD

NEW Wild Plants of Our Wetlands –Teacher Lessons Plan Book

Salt Marsh Habitat of the Barataria-Terrebonne Estuary
