Dear Friends of BTNEP,

We are proud to announce an upcoming art exhibit to be held at the Fort Isabel Gallery, located at 502 N. Columbus, in Covington, LA, featuring Delaina LeBlanc, featuring her new collection “Erosion”.

The opening reception will be held this Saturday, May 12, 2007, from 6:00 p.m. – 9:00 p.m. The exhibit will available for viewing from May 12, 2007 til the end of the month.

Delaina is a strong supporter of BTNEP and we’d like to share with you all this information so you may see for yourself how she expresses her view of our coastal land loss issue.

Warm Regards,
