

VOLUNTEER ANNOUNCEMENT!

Grand Isle Beach Sweep!

Restore critical habitat, protect wildlife, and preserve Louisiana's only inhabited barrier island.

Event: Grand Isle Beach Sweep

Location: Grand Isle State Park

[Admiral Craik Drive, Grand Isle, LA](#)

[\(click for web map\)](#)

Date: Saturday, January 19th, 2008

Time: 9:00am

Join the BTNEP volunteer team as we restore the beaches and dunes of Grand Isle. The devastating hurricane season of 2005 may be over two years behind us, but our environment is still recovering. Wind, waves, and high water delivered countless tons of marine debris to the shores of Grand Isle. This debris is not only an eye sore; it endangers the natural inhabitants of this critical habitat. To make matters worse, currents deliver litter carelessly discarded by Gulf boaters every day. You can help preserve the diverse ecology of coastal Louisiana by joining with your neighbors to clear the litter and debris from the dunes and beaches of Grand Isle.

To register, please complete the form below and fax it to the BTNEP program office at 985.447.0870; or email the form to mel@btnep.org.
