Date: Saturday, February 28th, 2009

Time: 9:00am – 4:00pm

Forested Maritime Ridges provide critical habitat and storm protection to communities throughout coastal Louisiana. Please join us for a planting on the Fourchon Maritime Forest Ridge in Port Fourchon, LA. Efforts will involve planting over 4,000 trees in on a restored maritime ridge that was constructed to restore habitat and protect Port Fourchon from storm surge. BTNEP and our partners are again asking for your support to help plant trees to help reforest the ridge. All planting equipment (gloves, shovels, dibbles, etc.) will be provided. Volunteers should bring their own boots and a change of clothes. Lunch and drinks will be provided to all volunteers.

To register, please complete the form below and fax it to the BTNEP program office at 985.447.0870; or email the form to mel@btnep.org.

Please check the BTNEP volunteer website for updates and weather announcements as the event date approaches:
