

Crab Lines

Volume 51

July 14, 2009

Dear Friends of BTNEP.

In case you missed it! WWLTV's *Sunday Edition* with Dennis Woltering and Kerry St. Pé, BTNEP Director, is now viewable on the web. Kerry talked with Dennis Woltering about coastal restoration last Sunday, July 11, 2009, at 10:30 am. Please click here to watch the video clip.

(BTNEP attempted to send out a Crabliness with this information previous to the airing of the episode, but could not due to a technical error beyond our control. We apologize for the inconvenience.)

Join Dennis Woltering for an in-depth look at the week's top news stories and newsmakers. Each week, "Sunday Edition " goes inside the headlines for a comprehensive discussion of the issues and events that shape lives in southeast Louisiana, with in-studio guests and analysis from Eyewitness News. Sunday at 10:30 a.m. on WWL-TV Channel 4 and at 12:30 p.m. Sunday afternoon on My 54 WUPL-TV. (From WWLTV.com)

With Kind Regards,

Shelley Sparks
